Dear Rick and Virginia:

I have been waiting for the return of Leonora Dickson's picture from the printers before returning the scrapbook to you.

It is now back, I have returned it to its proper place and the scrapbook is enclosed.

Look forward to seeing you in Miami.

Sincerely,

Dear Ed:

JUL 12 REC'D

If you haven't already, would you
wish to return Leonora Dickson's book
or we may have them all together
and on hand in Florida? Real nice article.

Also, has the boys book from Indianapolis
been returned to him?

See you next month in Florida.
Thanks.
